

100 ARCHITECTS OF THE YEAR 2012

“

Certified by UIA, Korean Institute of Architects holds its first international exhibition for the invited architects from all over the world succeeding 30-year tradition of its national architectural festival. KIA's invited architect exhibition has been success boosting general public's interest in the architectural culture and introducing new paradigms and the architectural philosophies of many emerging architects. Through this new opportunity, KIA intends to bring out more cultural fusion and understanding of global architecture

”

QUALIFICATION

All foreign architects participating need to acquire the official recommendation from their national architect institutions recognized by UIA. No registration fee required for this year.

REGISTRATION

After downloading the application form and exhibition guide from KIA's website (www.kia.or.kr), please print and scan the completed application form before emailing it to KIA (jjp@kia.or.kr)
